★ A NOTE FROM MARK AND LAURA ★

We Are Such Lucky People

There is simply no place in the world like summer camp. To create a universe where children can grow and mature, be surrounded by role models with positive energy and spirit, all while having the time of their lives is not only important for our children's development -- it's central to it. As the final lights are shut, bunks are locked, and boats are stored, we would like to take this moment to thank you for your support and reflect on what was another historic and proud summer for Iroquois Springs -- summer #14!

We like to say that campers may leave camp but camp will never leave them. The impact that summer camp has on children is fundamental to our commitment to provide not only a camp of value - with incredible fun, trips, activities, and events - but also one that instills human values: Teaching our campers the importance of paying respect, showing appreciation for others, building skills, approaching everything with heart and soul, and living in a community with a sense of the importance of caring for others.

We feel so lucky to be a part of something so magical, something that changes peoples lives -- both the campers and the staff members that choose to join our community, give it their all, and make an indelible impact on the campers in their care. What a powerful opportunity to help lead!

We feel lucky to have such a wonderful group of campers who have bought into what Iroquois Springs is all about, and are able to

make our community a better place by their presence within it. Having the chance to do what we do 365 days each year truly makes us the luckiest people in the world.

We are excited to announce that we have had a record early enrollment with many groups closed for 2015 -- thank you to everyone who spread the word far and wide about Iroquois Springs. Over the next few months you will hear about all the new and exciting things we have planned for 2015. Later in the fall we are excited to rollout our new Iroquois Springs website complete with a new video, we cannot wait to share this with you when it is complete.

Before we finish, we want to take this opportunity to thank and recognize the incredibly special staff we had this summer. They worked hard, and made sure every camper was cared for as they were their own children. It was a special staff this summer, and we are already on the hunt for some new talented and mature people to join our team.

We cannot wait for 2015, our 15th summer - we are counting down the days.

See you at the camp reunion in December.

With Love, Mark & Laura

BOYS SIDE STUFF WITH JOSH

I wish I were standing at the boys flagpole for morning line-up announcements about the day ahead. Lower camp would

be heading out of the dining hall and upper camp would be heading out of their cabins and walking to the center of boys side. We would make our announcements, tell some jokes, invite the bunk of the day up and then go about our day, with our best friends, in our favorite place in the world. Unfortunately, the summer of 2014 is behind us and all we have are fond memories of an amazing summer experience. The brotherhood, friendships and bonding that took place this summer was legendary. All of you truly know what it means for your brother to have your back. You cared for each other while making sure to laugh, have fun and enjoy all that Iroquois Springs has to offer.

I want to personally thank all of the campers, counselors and group leaders for being part of the summer of 2014. I can honestly say the boys side staff were some of the strongest counselors we have had in a very long time. They

came from all around the world to ensure that you had the best summer of your life. They certainly did that as many of the memories that you wrote on your boats the last night of camp related to your counselors and the fun times that took place over the summer. None of this would be possible without their hard work, but especially your willingness to follow their lead.

Every ending means a new beginning. Although, the summer has ended we are already planning for the summer of 2015. The boys side group leaders and I are already figuring out some awesome additions to the 2015 calendar of events. There will be more news to come about that in future newsletters.

Remember that the most important thing in life is to be nice and that good things happen to good people. I am looking forward to hanging out in early December at the camp reunion.

Josh

GIRLS SIDE GAB With Rosie

Hello ladies

I can't believe that we are already in October! Happy fall everyone - I always love the first newsletter of the year, it gives me the opportunity to reflect on this past summer and all the amazing things we did. This summer was great for so many reasons!

Girls side - words can not express how proud I am of each and everyone of you. I feel so lucky that I get to work with such amazing group leaders, counselors and campers. You all make me so proud, each and everyone of you. Last newsletter I spoke a lot about wanting to start new traditions and making girls side the best it could be. We did that ladies- we were nice to each other, we respected each other, we made new friends without forgetting our old ones, we tried new things, we sang louder, we laughed louder and we appreciated how lucky we are to be at camp. Girls side ran their first 5K, wrote awesome songs for girls side sing, had their first girls side Clue, had awesome rest hour activities and continued to have the best line ups ever!!! When people around me ask about camp - all I could say is "best summer ever!!!"

To all my first time campers, I am so very proud of you! You have now made IS your second home. To the returners, thank you for making all these amazing things on girls side happen!! Without you I couldn't do my job. Your love for camp is contagious and you are the reason why our return rate is so high. CITS 2014, you have left a mark on girls side that will never go away. Can't wait to have you on staff one day.

Watching all of you on the field, in the lake, at gymnastics, outdoor adventure, hobbyville and more - makes me a very proud head counselor. You challenged yourself on a regular basis and walked away feeling better about yourselves. Thank you for getting out of your comfort zone.

I now challenge you to be the best you could be. To smile more, to work harder, to stay nice and most important treat others the way you want to be treated. Ladies and gentlemen - it is much easier to be nice than to be mean!!! Make a new friend this year, give someone a second chance and stand up for yourself and others when necessary.

I can't wait to see everyone at the camp reunion! Stay in touch with your camp friends and please don't leave anyone out!

Earlier today Olivia told me she missed camp! I get it!

Remember - GIRLS SIDE DOES GREAT THINGS!

See you soon!! *Rosie :)*

Notes from BUBBA'S CLIPBOARD

It's hard to imagine that our 14th summer at Iroquois Springs ended almost 3-months ago and plans for summer 2015 are well underway!

When I walk around camp now and see the leaves turning, the crystal clear lake and the open fields, all I can think about is our time together. Camp is just not the same when all of our campers and staff have gone for the season, but some of the same feelings I have during the summer still fill my heart as I walk through our awesome campus. Whether it's passing by the flagpole and remembering all the announcements we made, songs that were sung, fuzzies that were given out or walking into the dining room and remembering the loud chants going back and forth from boys side to girls side, all I can think about is getting another summer started and seeing the busses roll in on day # 1.

Of course, we would all love for camp to be more than just 6-weeks long, but since school somehow always gets in the way of that plan, all we can do is count down the days until we are together again. Back in a place where we treat each other with respect, where it's ok to laugh and cry, where staff learn as much from the campers as the campers learn from the staff and where we all share the common feeling of creating a camp community that we are all proud of!

Truly, it's hard to imagine that we are going to celebrate our 15th summer in Rock Hill this season. That in itself is something to be proud of. A camp environment that let's us all shine and creates such positive and long lasting memories is what draws us back each summer.

Thank you to our wonderful staff who work tirelessly each and every day to run great programs, take fantastic care of our campers and who genuinely gave everything they had to ensure the success of the campers they were responsible for. Often times, people ask "what separates Iroquois Springs from the rest of the pack." I always say our staff, and I truly believe that! It never ceases to amaze me how people can continually give of themselves and put the needs of others before theirs...that is what separates us from the pack. All of this can happen because of our great camper community. Kids that understand the value of camp, respect the decisions and opinions of others and who genuinely care about one another and want to be part of something bigger than them, for that, I applaud you.

For now, we need to bunker down, concentrate on doing well in school, completing all of our assignments and remember that the summer months of blue & gold are not too far away.

Can't wait to see many of you at the winter reunion!

Miss you all! **BUBBA**

This coming season, our senior campers (entering grades 8 – 11) will have the opportunity to visit historic Boston, Massachusetts.

Highlights will include a trip to the NE Aquarium, Whale Watching Cruise, Tour of Fenway Park, the thrills of Six Flags NE, an excursion to Quincy Market, Faneuil Hall and more!

Details and enrollment information will be sent later in the year, but we wanted to remind you about this great opportunity and can't wait to share all the highlights as we confirm the trip throughout the winter.

Of course, should you have any questions about the trip prior to receiving further information, don't hesitate to let us know. This is an awesome experience...

THE WINTER ARROW CLUE

As the days grow shorter and the leaves turn beautiful shades of red and gold before making their annual descent to the ground, soon to be covered by winters' snow... there is a hidden arrow waiting to be found...well, figuratively!

In each issue of the Iroquois Springs Times we will present a new clue to the "Winter Arrow's" location. Unlike in Color Week, the "Winter Arrow" can be ANYWHERE in Camp – indoors or outdoors, areas both in bounds and off limits. Use your creativity and imagination...you can even search without a counselor!!!

The first Girls Side and Boys Side campers to correctly name the exact location of the "Winter Arrow" will win a prize for their bunk next summer. Remember to give a detailed description of why you think the "Winter Arrow" is there when you respond.

Send your answers to: summers@iroquoissprings.com and make sure to include your first and last name in the email.

Here is Clue #1:

Once upon a time. Yet Again.

Cadence and Cascade walk to the rhythm of a song all their own

After 45 pirouettes of the tick and the tock, they arrived back where they started from Home, a drink, they see their reflection.

Peace for a while.

They have found their city of gold that lies in the deep distance of each of our heart's desires.

Girls Side Song

Tune: Classic by MKTO

Oooooohhh summertime's here
Waited for camp all year
Back on girl's side here to stay
We're having fun night and day

Oooooohhh towel service
Mom and dad don't be nervous
The space you saved me,
who could blame me
When I just want to pack more clothes

I wanna tumble at the new gym (hey)
We love fencing and sing (yeah)
Go to line up everyday, hear Rosie say,
Girls I got to tell you one thing

Be nice at camp, we love girl's side
Wherever we go, blue and gold pride
One of a kind, living at our home together
Girl's side forever
(Repeat 2 X)

WHAT'S HAPPENING IN ROCK HILL

So often throughout the winter, campers, staff and alumni ask, "what's going on at camp this winter?" Sometimes families are coming home from a college trip and do a quick drive through Rock Hill and see construction going on and always wonder, what are they up to now? Well, as you know, we take great pride in our facility and truly feel as though Iroquois Springs is something we can all be proud of as we walk around the facility and see such wonderful cabins, program areas, ball fields and more. By the look of the activity level at camp this summer, last winters off-season project to create an awesome new gymnastics center really paid off and we hope you all had a chance to enjoy it this summer.

Well, the winter of 2015 certainly won't be a quiet one for anyone in Rock Hill. While our full-time maintenance staff is still busy "closing up shop" from the summer, construction crews are already hard at work on building a brand new kitchen and renovating part of the dining room. While the new kitchen is going to really help our operation and

continue to allow us to provide great camp food with a lot of different selections at all of our meals, the dining room is going to have additional space for seating and food service, making it even more comfortable to eat our meals together. We are certain that your all going to welcome this renovation and hope that this will continue to help provide an exceptional dining experience for everyone at camp.

Of course, we are also working on some other new program ideas and additions for next summer, but we think saving those for future newsletters is a wise choice. Make sure to continue to follow our social media feeds and newsletters to hear all about what's doing in 12775 throughout the winter.

INTERS BOYS GLOW LAUNCH

Once again the scene was set, Paul Titley assembled the Inter Boys for the 2nd annual "late night glow launch." The Inter Boys campers and staff, launched rockets covered in glow sticks into the night sky, along with 46 helium balloons and an ID code on each to verify who launched each balloon.

The goal was to see if the rockets or balloons would be found, and if so, where, how far from camp and by whom. We are very excited to announce that some of the balloons have been found, and this year much further across the country, having covered some pretty impressive distances.

So far, here is the list of the balloons that have been recovered and where:

- Paul Titley: **Nantasket Beach, Hull, Massachusetts, 195.9 miles**
- Justin Weiss: **Oxford, Massachusetts, 142.9 miles**
- Shane Sundahl: **Hermit Island, Maine, 289.3 miles**
- Eli Wiener: **Canton Massachusetts, 156.8 miles**
- Jordan Zornberg: **West Bath, Maine, 286 miles**

These results speak for themselves, a total of 1070.9 miles traveled, WOW! What an awesome job by our inter boys division and of course, a big thank you to Paul Titley, group leader, who took the time to put this wonderful event together again this summer.

Pretty safe to say, the "Inter Boys Glow Launch" is something that campers will be enjoying for many years to come!

EVERYTHING CAMPER

We are thrilled to let you know that Iroquois Springs will have a new clothing outfitter for the summer, Everything Camper! All of our camp shirts and cool camp gear will be available through Everything Camper soon. Details will be sent during the winter, we know you are going to love some of the new apparel they will offer!

COUNSELOR'S CORNER

We love to hear from our staff throughout the winter and want to share some thoughts and reflections from their summer with you. In addition, we have asked our staff this off-season to send pictures of themselves throughout the world wearing Iroquois Springs staff shirts, we will keep them coming in future newsletters...

**Rebecca Wilson & Amanda Flynn in
Newfoundland, Canada**

"Being back at camp feels like home. I really appreciate the opportunities that have been given and it's been so fun."

Rebecca Barsby

I know that as much as I affected my campers, they affected me just as much. They reminded me of the little things you tend to forget as you grow up like "have fun" and "do what makes you happy..." "I learned how to be that leader, role-model, expert, teacher, friend, and parent all at the same time. It's amazing how many roles a camp counselor takes on from being in the bunk, to at the pool". **Morgan Ness**

"It's been a little over a month now since camp ended, but every day I see something that takes me back to a memory I have at camp... We became like family over the 7-weeks there and I am so grateful to have worked with them".

Laura Galindo

"To all the campers I was so lucky to meet and share the incredible summer of 2014 with, thank you for everything that you taught me and all the memories that I think of multiple times a day everyday. Never would I have imagined that my life could have been changed by the experience of working at a summer camp, but I truly believe that Iroquois Springs is the most special place in the world..." "I can honestly say that I had the time and experience of my life and I am so grateful for the opportunity that you gave me and I thank you so, so much."

Marie Johnson

After being inspired to work further with children from my camp experience, I have found an exciting role I wish to apply for, demonstrating fun science experiments to kids in schools.... Finally, I'd like to say what a pleasure it was to be part of the family that is the Iroquois Springs staff and I hope to see you all again."

Rob Young

CONGRATULATIONS

We all know how special of a place camp truly is and wanted to take this opportunity to wish a life full of love and happiness to two couples who met at camp and recently tied the knot since the summer of 2014 ended. Congratulations on your wedding to Drew Dalton & Robyn Martin and Paul Titley & Mandie Wellner!

One of the values we continue to stress at Iroquois Springs is the importance of community service. This summer, as in summers past, our CIT's participated in community service projects both locally and within the larger camp community. Because we feel so strongly about this, once again, our CIT's spent time at Project Morry in conjunction with our annual Swim-a-Thon at camp. They had the chance to see this special program in action, get a better understanding of why we raise money to support Project Morry and most of all, put into perspective the unique opportunity that summer camp offers to campers from all social and economic backgrounds. In addition, we were fortunate to once again have a select number of Project Morry campers visit Iroquois Springs and participate with us for part of the day.....that sure was special!

Our CIT's brought so much energy and excitement to our Swim-a-Thon this summer and facilitated another awesome camp event. We swam more laps and raised more money for this truly special organization than any other Swim-a-Thon in the past. We especially want to thank the Iroquois Springs family of campers, parents and staff as they always step up to the plate and helped to make a difference in the lives of so many less fortunate kids. Your continued contributions and dedication to this program will give the gift of summer camp to youth for years to come.

If you have not had a chance to send in your donation for this year's Swim-a-Thon, it's not too late. Please send it to our camp office and we will make sure Project Morry receives it.

Project Morry has become part of the fabric of our camp community and we are so proud of the many campers who have chosen to help support Project Morry for their bar/bat-mitzvah service project or other community service fundraising event.

We are proud to announce that once again our camp raised over \$10,000 for Project Morry – thanks to everyone who donated and thanks for a job well done by our CIT's! Keep up the great work. To find out more about Project Morry, please check out their website at:

REUNION - MARK YOUR CALENDAR

Can't wait to see your camp friends, spend the morning with them, maybe have a sleepover and just talk camp..... Well the time is coming soon!

Mark your Calendar - We are proud to announce the 14th Annual Iroquois Springs Camp Reunion on Sunday - December 7, 2014 to be held at FunFuzion in New Roc City (New Rochelle, NY).

This awesome venue has been the site of our past camp reunions and there is a reason we are coming back for more! Come with your family to reunite with camp friends from the summer and enjoy the games, rides and excitement FunFuzion has to offer.

One of the great traditions we have at the reunion is the unveiling of the summer video yearbook and slideshow. What a great way to relive the memories of camp just before your eyes. You will also receive, as a holiday gift, your framed copy of your bunk and individual camp picture as a keepsake of last summer.

(For those of you who cannot make it to the reunion, we will mail your photo to you shortly after the reunion).

Make sure to check your inbox for more details about the reunion, how to RSVP and directions to New Roc City.

See you all there!
