## ★ A NOTE FROM MARK AND LAURA ★

*Let the countdown begin.....summer, here we come*

FINALLY!!!! It seems like after one of the longest and harshest winters in recent memory, spring is here! That can only mean one thing, summer can't be too far behind. We are so pumped to start of our 14th summer after this winter.

We love spring (second only to summer) – it's really the start of so many new things as the trees come into bloom and the flowers become colorful, we really set our minds towards another summer. At this point of the year, we have about 4 weeks before the office officially moves up to camp and we settle into our summer home. It's the time of the year we speak with staff on a daily basis; put some of the final touches on the program, the menu, cabin placement, orientation and on and on. It's what we live for! The rush and excitement of getting camp prepared for another amazingly memorable experience is like nothing else you can describe.

Specifically, moving up to camp in May is the most exciting part of the spring for us. The group starts small – at first just the full-time staff, some food service and maintenance staff who gather in the dining room for meals and laughter – then day by day, others start to arrive and the summer is underway before we know it.

This ritual takes place spring after spring for the last 13 years and it helps to set the tone for the family environment we foster each summer.

Each year we participate in our annual Tri-State Camp Conference where we get to talk and live

camp for three terrific days of nothing but CAMP! We network, find new products, brainstorm new program ideas and learn new things from our colleagues.

Most importantly, one of the things we walk away from after the conference is this unbelievable feeling of how lucky we are to be doing this year after year. We get a chance to help develop children, mentor staff and partner with parents - no other profession has such an incredible opportunity - we are so overwhelmed by this when we stop and think over the last 13 years how many lives we have been a part of in such a positive way. We can't wait to do it all again in 2014 - our 14th season at Iroquois Springs.

We also wanted to take this opportunity to thank so many of you who have helped spread the word about Iroquois Springs - we have had a wonderful year, with most groups filled. We have also been able to spread the word in many new places from as far as California, and around the world. Thanks for all the support.

Since the countdown is officially begun, we need to get back to work getting ready for summer 2014. We really cannot wait to see everyone and get the summer off to a great start. Here's to counting down to June 28th!

**See you in Rock Hill!!**

*With Love, Mark & Laura*

## BOYS SIDE STUFF WITH JOSH

After the longest winter that I can remember in recent history, I am thrilled that it is time to write my Spring Newsletter article. Writing the Spring Newsletter means 1 thing--Camp is right around the corner. I am excited to switch my snow shovel and winter hat for suntan lotion and sports equipment. I had the opportunity to spend a few days at camp this winter and what sticks out in my mind the most was the 4-5 feet of snow that covered camp. It took me a over 40-minutes to climb, crawl and step from the boys basketball Court to the Boys HC. The snow was so high I was touching the rim of the basketball hoops without even leaving my feet. As cool as this was, it just didn't feel right. It felt as if camp was frozen in time. I was hoping that I could close my eyes and open them to find all of you guys, the boys, standing around the flagpole on Boys Side waiting for line-up to begin. I missed the sound of the bouncing basketballs bouncing on the court and baseballs hitting your mitts as you catch the ball during rest hour. I missed seeing kids hanging out on their porches with their counselors telling stories and playing guitar. Well---these times are about to begin again and I think I might be the most excited for it.

We have a bunch of new campers and families who I would like to welcome to Iroquois Springs. Your summer experience is going to be like no other because Boys Side knows how to have fun and we all make life-long friends. Our returning campers can't wait to welcome their new friends to camp this summer. I think we all agree that there is nothing in the world like hanging out in the bunk, listening to music on the porch or hanging out at the canteen with your best friends in the world. I am sure you can't wait for the summer to begin already. The flag is about to be raised on Boys Side, the Monday Night Football combine trophies are being polished and basketballs are being prepared for our World Class Boys Side Knockout Tournament. We also have a variety of new and exciting activities that your counselors and group leaders are preparing as we speak.

We are going to have some familiar faces as group leaders this summer. Sean, Taylor, Paul, Drew and Midge will be back on Boys Side. We welcome Levi Moser and George Paitich to the team. Levi has been a counselor and baseball coach at IS for the past few summers and is ready for a new and exciting role as a group leader. George is a former counselor at IS who took a few years off to work on his Master's Degree. The program must have taught him the right things because it brought him back to IS and for that we are all grateful.

In a few short weeks we will all be coming together again for another summer. I look forward to having our new campers experience the awesomeness of a summer at Iroquois Springs. I can't wait to see all of our returning campers make new friends and enjoy their favorite activities as well. There is way less than 60 days until we are back at camp doing what we love...cheering in the dining hall, hanging out with friends and living it up at Iroquois Springs.

See you soon! **Josh**

## Retreats & Reunions

Did you know that when camp is not filled with campers and staff, we host all types of rental groups from colleges & universities to corporate retreats, bar/bat-mitzvah's, weddings, sports teams and more....?

Iroquois Springs is an ideal facility for large group gatherings who want to share a unique experience and enjoy overnight accommodations, recreational and meeting space and of course full-service catering.

If you are involved in a group or organization that could benefit from our beautiful grounds, please don't hesitate to pass along our contact information and ask for them to get in touch to learn more about what we can provide.

**Thanks for helping to spread the word!**

## Towel Service

We know by now you have heard the great news that Iroquois Springs will now be offering TOWEL SERVICE at the pool and lake this summer. There is absolutely no need to pack more than 6 towels this summer for your camper to use in the bunk for showers, in fact, we will ask that campers DO NOT bring any towels to the pool or lake and instead receive a camp towel once they arrive at each location. Don't worry, we promise these are quality towels that absorb plenty of water!

Of course, if you would like to bring an extra "cover-up" or "bathing-suit wrap" to camp to wear from your cabin to the pool or lake, we certainly encourage you to do so as we know that many campers like to "wear" their towels to the pool or lake around themselves as they walk to these activity areas.

We hope you find our towel service a real help as you pack for camp and find great value in this new service we will provide for our entire camp community.

## Notes from BUBBA'S CLIPBOARD

A month ago we all thought the summer weather may never come, but I think it's safe to say now that the snow is behind us for good and shorts season is here to stay! Of course, some of us had "warm weather" on our mind for a while and started shorts season while the snow was still melting, but that's ok. As I start to countdown the days until camp, my mind gets filled with all kinds of thoughts and emotions. No matter how long I have been going to camp, each summer presents another unique opportunity. The chance to influence campers and staff, the chance to share in memories that last a lifetime, the chance to watch campers learn something new, the chance to see a smile on a kids face... the list goes on forever! These are the opportunities that get me excited to enter another summer at Iroquois Springs.

However, there is still so much to do before June 28th when the busses climb Bowers Road and enter our gates. Although I can already anticipate the "nervous butterflies" I get as I see the first bus back into camp, I start my official checklist right around this time and make sure that all the work we put in during the off-season pays off. Schedules ready, evening activities planned, trips organized, fuzzy machine oiled and ready, busses confirmed, itineraries set, supplies purchased and more....that's just the start of the list. It's all worth it when it comes together and the magic of camp comes to life!

As we prepare to wind down the school year and get into camp mode, I remind you what camp should really be all about. This unique opportunity that has been afforded to each of us is something truly genuine. The chance to come to camp and be anyone you want to be holds real value for all of us. It's a way to escape to a place where being nice to one another is a must, caring for each other is expected and making one another feel great about accomplishments is rewarded. Camp is a place that we all come to feel good about ourselves and thrive in a community that we feel comfortable.

So remember this as you start to pack your trunks and take care of all the last minute details for camp. "What do you want your summer to be all about." Each of us may have a slightly different answer to this question, but we all share one important fact. Part of our summer will be spent at Iroquois Springs where we will have the opportunity to grow as individuals, learn to respect one another's differences and thrive in a place that is filled with fun, laughter, love and so much more!

For now though, it's time for me to continue to work on my checklist and help ensure that all the details for the summer are set and that the summer of 2014 will be one for the record books! Finish the spring season on a high-note, do well in school, get thinking about "your camp experience" and get excited about the incredible summer ahead.

Can't wait to see you all as you arrive in 12775 for the summer of your life!

Warm thoughts for the summer ahead... **BUBBA**

Don't forget to check us out on...

# WHAT'S HAPPENING IN ROCK HILL

WOW, that sure was a winter to forget! The snow was piled high, very high this winter in 12775, but through it all, Tim, our facilities manager, and his crew managed to get plenty accomplished! The time is finally here to turn the water back on (without it freezing), cut the grass, plant the flowers, gas the boats and get ready for the summer of a lifetime.

As we announced in January, we are thrilled to have the addition of a brand-new enlarged **GYMNASTICS** facility at camp this summer. Located in the same spot as our old pavilion, this new completely enclosed facility is going to boast all brand new equipment complete with a large spring floor, high and low beams, 30' Tumble-Trak, uneven bars, vaulting table and more! This completely modernized facility is sure to be a hit for girls and boys this summer... We can't wait to see you tumble, spin and jump in this awesome new building!

We also told you that **FENCING** was coming to camp this summer and we are thrilled to let you know that we have hired staff to run this great new program. The chance to help us build this new activity at Iroquois Springs from the ground up is so exciting and we hope that's it is a real hit this summer! We believe that exposure to something many of you may have never done before is really going to be an eye-opening experience. So, if you have fenced before, we can't wait for you to show us what you got, if you're a first-timer, what better place to learn than in camp!

As you know, we take great pride in our facility and our program, and we know that these new additions are going to really be a welcomed new offering for all of our campers! Of course, we have done plenty of other things this winter to enhance your camp experience and can't wait for you to see them once you arrive in Rock Hill for a summer filled with fun, memories and new experiences.

## THE WINTER ARROW

We have a winner! Congratulations to **Jenna Grossbarth** who answered the winter arrow clue correctly and knew that the arrow was located at the "old flagpole" just behind the office. Great work! Your bunk will certainly love the **pizza party** coming your way this summer.

## NCAA POOL

**March Madness** surely did not disappoint this year and we truly hope many of you enjoyed our first annual Iroquois Springs camper and staff bracket competition. We are thrilled to let you know that **Justin Levine** won the camper bracket and will be receiving his IS sweatshirt soon along with a trip to **Peace-Love-Ice Cream** along with his whole bunk this summer. **Tammy "Tours" Zornberg** came out on top of the staff bracket and will be sporting her new sweatshirt as well this summer. Thanks to everyone who participated!

## TRIVIA

Here's a little more fun for everyone to enjoy. The first male and female campers to answer all of these questions correctly will also win a prize this summer:

1. In the early years of Iroquois Springs there were three major competitions. Color Week, Tribals, and \_\_\_\_\_?
2. The Iroquois Springs Lake is:  
**A. Man-made**  
**B. Natural**  
**C. Both**
3. Can you name Drew Dalton's favorite NFL football team?
4. Who won Color Week in... 2004?
5. Which of the following camp buildings is the newest?  
**A. The Theater**  
**B. The Arena**  
**C. The Lake Gazebo**  
**D. The Canteen**

Send your answers to: [summers@iroquoissprings.com](mailto:summers@iroquoissprings.com) and make sure to include your first and last name in the email. **Good Luck**

## GIRLS SIDE GAB *With Rosie*

### Hello Girls Side!!!

This is it – last newsletter before we are all up at camp together! The countdown has begun and I couldn't be more excited. With spring in the air, the stores are starting to sell their camp gear, camp related articles are being published and shared everywhere; commercials on TV are advertising camps, ads in papers are looking for camp counselors and we are working hard on getting things ready for summer 2014 – I am so excited to see each and every one of your faces at line-up in just a few weeks. The BOGARD's are getting ready – we can't wait to reunite with our camp family.

Olivia has already been bitten by the sleep-away camp bug -- and has been talking nonstop about, Girls Side, s'mores, swimming in the lake, singing songs around the campfire, arts and crafts and more.

Recently, someone asked me why I go to camp every summer. They wondered why I would pack up my entire family and just leave for 7-weeks. I told them I live TEN months of the year for TWO!!!!!! I told them that I love camp and all that it stands for. Ask anyone who went away to camp – camp friends are year-round, life-long friends. Camp creates memories that last a lifetime. I love being a part of that. I love watching camp friendships develop. I love being a part of your love for camp. I love everything about camp!

I recently read a quote by Michael D. Eisner, former CEO of Disney, he wrote - "camp is a guide to growing up, learning to rely on yourself as you work as a team, developing tools for leadership, competing to win but finding pride and growth in defeat."

**THAT IS WHY I GO TO CAMP EVERY SUMMER.**

After a summer at Iroquois Springs you will leave with increased confidence and a greater sense of independence. Camp is a place that you get to try new things and later brag about them – whether it's getting up on waterskiis for the first time, cheering a Color War song, climbing the Tower, playing inter-camp games, participating in Mock Rock or writing for the camp newsletter. At the end of the summer you will have lots of things to brag about.

**THAT IS WHY I GO TO CAMP EVERY SUMMER.**

When you come to camp for the summer – you get to unplug. You get to take a break from the pressures and stress of competitive sports, school, and the Internet. The bonding and friendships that happen at camp are different from those that occur at school and on sports teams. The intensity of living together and experiencing life together, without distractions, creates the ideal setting to form life-long friendships and really get to know people well.

**THAT IS WHY I GO TO CAMP EVERY SUMMER.**

There are so many reasons why I go to camp every summer. I am so grateful that I get to spend my summer with all of you! I am grateful that my parents sent me to camp when I was 7 – Thank your parents for giving you this amazing opportunity. There is no gift in the world that can replace your camp experience. **SAY THANK YOU!**

I want to introduce our amazing Girls Side team – Robyn Martin, Erin Johnson, Emma Goodman, Nicole McDonough, Sarah Bush, Diana Blank, Morgan Kramer, Melissa Mann and Dylan Frand. We have spent weeks talking about line-up, big-little, Girls Side Sing and more – **WE ARE EXCITED!!!!!!** I cannot do my job without these amazing ladies...**THAT IS WHY I GO TO CAMP!!**

**Have a great rest of the school year – study hard and BE NICE – SEE YOU VERY VERY SOON!!!**

With Love, *Rosie*

## HONORING SOME OF OUR GREAT IROQUOIS SPRINGS LEADERS!

As always, we love to share with you some of the great things that happen at camp and within our terrific camp community. We are delighted to share with you that some of our most favorite people at Iroquois Springs have received some wonderful and very deserved honors.

At the most recent ACA Tri-State Camp Conference held in March our very own Brian “Bubba” Cohen received the “Tri-State Award” for his many years of volunteer service to the ACA and specifically his tireless work at our annual conference. This award has been given out to some of the most well respected professionals in our industry, and he is now a part of a very distinguished group! Congrats to Bubba for this wonderful recognition of many years of hard work.

Additionally, we are excited to let you know that **Rosie Bogard** will be inducted into the Camp Poyntelle-Lewis Village “Hall of Fame.” This is the first group of “Hall of Famers” being inducted and it is a very special honor to have been a part of the very first group of honorees. Camp Poyntelle is a very special place where a number of current Iroquois Springs staff are a part of including, Mark Newfield, Laura Newfield, Brian Cohen, Josh Bogard, Leah Sider and Yve Fouladi. Camp Poyntelle is a very special place in our hearts and holds some very special memories. Camp Poyntelle has asked if anyone would like to donate in honor of this wonderful achievement for Rosie, please go to the following webpage:

# COUNSELOR'S CORNER

We asked both new and returning staff what they were thinking about as they prepare for camp this summer...here is what they had to say:

"I have to admit, it's scary, but I know it will all be good. I am sure some of you are in the same boat, so we will have a lot of fun experiencing it together for the first time. And for all you returning campers...I hope you'll help out us newcomers and show us the way! I am really looking forward to learning and becoming part of the Iroquois Springs tradition."

**Alexzandra Hillyer, Water-Ski Specialist**

**"I am looking forward to this new adventure!"**

"I am a second year cabin specialist and I am looking forward to returning back to Iroquois Springs and to be teaching American Sign Language as an afternoon elective. Sign Language is fun to learn and also a great skill to have! American Sign Language teaches us an interesting second language and also about a fascinating culture. Can't wait to see everyone in June!"

**Olivia Picklo, Cabin Specialist**

**"I know it's going to be the experience of a lifetime!"**

"As a first time staff member, I am looking forward to getting to know camp just as the campers will. I can't wait to experience all of the activities and adventures that summer awaits me right alongside my campers. Getting to meet all the other amazing staff members from around the world and the United States will be an experience to remember. I am looking forward to this new adventure!" **Amanda Mattei, Cabin Specialist**

"This is my first year working as a Camp Counselor and I am SO unbelievably excited because I know it's going to be the experience of a lifetime! I'm going to be working as a Fitness, Spinning, Circuits, Zumba and anything else fitness related Instructor! The whole camp experience is all about having fun and that is the main aim of all my classes. I love to be active and have a lot of energy and I know the campers will have too! I am really looking forward to meeting the campers and living the experience with them. I hope to inspire the campers and encourage them to believe that they can achieve anything that they want to! I can't wait to work, play, have fun and meet everyone...Roll on summer!"

**Marie Johnson, Fitness Specialist**

## COMPUTER RECYCLING

Have an old computer sitting in your basement that you would like to discard of...put it to good use and donate it to camp this summer! Our "You Build It" program will once again be dismantling these old computers and having campers create their own robots this summer. It's amazing to see what was created last summer and we would be thrilled to take your old computer to camp and let our campers imagination run wild as they create, learn and explore in You Build It!

Please bring computers to our area luggage pick-up locations (Westchester, Rockland, Livingston, Long Island) on Sunday, June 22nd where our staff will be more than happy to transport them up to camp.

Thanks in advance for your help; hopefully this helps to de-clutter your basement just a bit and allows you to recycle at the same time.

## FAVORITE RECIPE FROM Kitchen Stadium

### EZ-Crescent Taco Pie

#### Ingredients

- 1 8 oz. Package Refrigerated Crescent Rolls
- 1 Pound Ground Beef / Ground Turkey
- $\frac{3}{4}$  Cup Salsa
- 2 Tablespoons Taco Seasoning
- 1 Cup Shredded Cheese

#### Directions

1. Preheat oven to 375 Degrees. Unroll dough, separate into 8 triangles. Please in ungreased 9-inch square pan or 10-inch pie plate; press over bottom and up sides to form crust.

2. In 10-inch skillet, cook beef/turkey over medium heat 8 to 10 minutes, stirring occasionally, until thoroughly cooked; drain. Stir in salsa and taco seasoning mix; simmer 5 minutes. Spoon meat mixture in crust-lined pan; sprinkle with cheese.

3. Bake 14 to 17 minutes or until crust is deep golden brown and cheese is melted. Served topped with lettuce and tomato, if desired.

**Optional:** Pile on your favorite toppings! Shredded lettuce, chopped tomatoes, additional salsa, sour cream, avocado and more.

## Don't Forget to Pack...

Every day in camp should be a special one and we want to make sure you get the most from every experience this summer. While packing for camp, here are a few things not to forget:

- White T-Shirt & Pillow Case to Tie-Dye / Silk Screen / Air-Brush
- CLOZ Anywhere Chair (Available from CLOZ Catalog)
- Crazy / Fun Hat for "Crazy Hat Day"
- Football Jersey for Monday Night Football on Boys Side
- Musical Instrument (Camp Rock Band)
- Halloween Costume (yes, we celebrate Halloween during the summer)
- Outfit for Banquet Night

Of course, a full packing list can be found inside the front cover of your CLOZ Catalog or on our website.

**REMEMBER, PLEASE ONLY

## ELECTRONICS POLICY REMINDER

We want to take time to remind you of our cell phone & electronics policy.

We know one critical component of the camp experience is the opportunity for kids to “unplug.” We strongly believe it is central to being at camp and will count on campers and parents to support our stance on this without exception.

In the instance of a camper being found in possession of a cell phone or a disallowed electronic device, that camper will have to go home for three-nights. Parents will have to make arrangements to pick-up and return the camper to camp. Should the camper be away from camp on the senior trip, parents will need to pick up their child from the trip location.

We hope that the idea of missing three entire days of camp will discourage campers and parents from disregarding this important policy.

Thanks for your continued support and cooperation in making Iroquois Springs a camp community we all feel good about calling our summer home.

## PARENT DASHBOARD

Don't forget to log-on to the parent dashboard to access these features and more:

- Complete Camper Forms
- Update Contact Information
- Confirm Enrollment Information
- Add a New Credit Card
- Make a Payment Online
- Change Billing Cycle
- View & Print Invoices

We hope this technology continues to make your experience an easy one. Should you have any questions at all, just call and ask, we are always available to help!

## Announcing Explorer Camp

**Come explore the world of overnight camp!**

**Explorers:** Future campers who will be entering the 1st through 4th grades in September 2014. The program is strictly limited to 24 boys and 24 girls.

**Dates:** Saturday, July 26th at 11:00 until Sunday, July 27th at 4:00pm

**Program:** Get a chance to explore what an Iroquois Springs camper enjoys each day throughout the summer. This is a terrific way to discover what Iroquois Springs will be all about before the 2015 summer arrives. You will be instantly transformed into an Iroquois Springs camper for life! This unique, well-rounded program centers around each camper gaining independence and confidence by learning to give and take in the camp setting.

**Cost:** \$150 per camper, including transportation and t-shirts. This will be credited towards any camper who enrolls for camp in 2015.

**Call the camp office for registration details or enroll on-line at: [www.iroquoissprings.com](http://www.iroquoissprings.com)**

**Don't forget to say hello to all of our Explorer's from last summer who have decided to return to camp for a full session this summer – we are so proud of you all!**
