★ A NOTE FROM MARK AND LAURA ★

We Are So lucky to Have Each Other

February started out like it has for the past 17 years, it is the time of the year that the office starts to pick up steam, and the pace increases a little each day. We are enrolling those last few campers, filling staff positions and dreaming of the warmer days ahead.

As the events later in the month turned to the terrible tragedy in Parkland, Florida, our thoughts and prayers immediately flood to those families and that community so horribly affected. As many have heard, the larger camp community was affected profoundly, and one of our own camp families goes to Stoneman Douglas High School – we are so thankful he is safe.

After having a chance to reflect on these events and how it has affected so many throughout many, many communities, our thoughts go to how lucky we are to have one another. Camp is the most unique place - it is safe, secure, and a place everyone feels “at home”. The environment is so critical for children as their world becomes more complex all the time. Camp is a place they can take healthy risks, and “be themselves” without judgment.

These events affect everyone differently, but for those of us who work so closely with children, it is even more profound. We feel great knowing that what we do each summer is so important in the world and to the campers who grow up

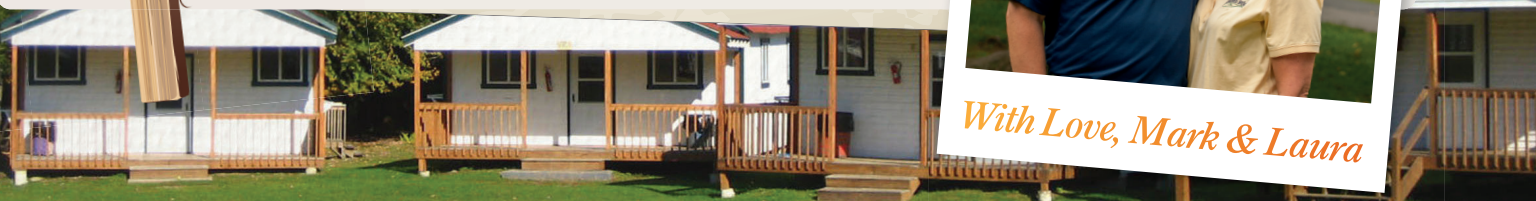

with us through the years. We are so lucky to have the opportunity to pour “good” into the world. Our terrific and committed staff understands this wonderful gift they have been given, and now more than ever we all recognize the importance. They truly are the “difference makers”.

The other striking outcome of this horrific tragedy is how inspired we are by these kids and the #neveragain movement. While we watch these kids, who have been affected by tragedy so profoundly, make an impact on society, we are awe struck by their passion, persistence and energy. They are so similar to many of our awesome campers who we know will make an incredible impact on the world in so many important ways at some point. As we said at our very first S.P.A.R.K. ceremony – “someone here is going to change the world”, and we believe more than ever that kids are the driving force for change.

We make it a habit of thanking you all for the gift of your children on a regular basis. After these events, our gratitude feels deeper and more important than ever before. One of the things we are looking forward to is getting back up to Rock Hill, where we will insulate them in the “camp bubble” and place that warm, loving blanket around them as they arrive for another wonderful summer. We are so lucky to have each other.

With Love, Mark & Laura

BOYS SIDE STUFF WITH JOSH

Time passes differently at camp. It is the only place you can leave for ten months and when you get back it is like you never left. At this point, I think we are through with snow and are full force into spring. I have to tell you, after this winter, I am ready for spring and especially summer. Before you know it, you are going to see your clothes getting labeled and folded and ready to be placed into your duffle bags. The days of shorts, t-shirts and flip-flops are not too far away. At least once a day something reminds me of camp and I cannot wait to be there already.

Spring is one of the most exciting times of the year for our returning campers but especially our 1st time campers. I am looking forward to kicking off our summer at the New Family Orientation in May. I know that everyone has officially started their own countdown to camp. Keep checking the Iroquois Springs website to get the official countdown to camp. I am looking forward to the buses rolling in and seeing all of the faces from previous summers while also watching our new campers experience Iroquois Springs for the first time. Soon Boys Side will be woken by the sounds of reveille and line up. The basketball courts will be jammed with campers and the cabin porches will be filled with the sounds of campers talking and laughing while enjoying the best days of their lives.

Group leaders, counselors and all other staff are as excited as you are to head to Rock Hill. As the school year winds down I know that the anticipation for the summer of 2018 is growing. As we look forward to what will be another great summer, I hope that the next few months will go quickly and that we are all at the opening night campfires enjoying our friends and delicious s'mores sooner than later. I am so excited to get back that camp feeling that we have been missing all winter. There is nothing like spending the summer with your best friends.

See you soon! **Josh**

DON'T FORGET TO PACK

There is lots to do at camp everyday and certainly some things you might not think about as you prepare for the summer ahead, so while packing for camp, here are a few things not to forget:

- 1 White & Black T-Shirts / Pillow Cases or Similar to Tie-Dye/ Silk Screen / Air-Brush
- 2 Anywhere Chair (Available from Everything Camper Website)
- 3 Crazy / Fun Hat for "Crazy Hat Day"
- 4 Football Jersey for Monday Night Football on Boys Side
- 5 Musical Instrument (Camp Rock Band)
- 6 Halloween Costume (Yes, we celebrate Halloween – Campers ent. 2nd – 7th Grade)
- 7 Outfit for Banquet Night
- 8 Tennis Racquet & Baseball Glove (if you have them)

Of course, a full packing list can be found on the Iroquois Springs and Everything Camper websites.

The winter arrow was found, congratulations to "Girls 18" (2 years in a row), we can't wait to celebrate with your bunk this summer! So, for this issue of the Iroquois Springs Times, we have some new interactive trivia for you to enjoy.

CAMP TRIVIA

CAN YOU SOLVE THESE COLOR WEEK SCAVENGER HUNT CLUES?

Late one evening during Color Week our Traditional Scavenger Hunt is held on the Girl's Side Softball Field. Not "just" a Scavenger Hunt, this event has its own unique twists and traditions. The Traditional Scavenger Hunt has been taking place in Rock Hill in nearly unchanged form for almost sixty years. Each summer, many new clues are added, while others are several decades old, and return to mystify us from time to time.

HERE ARE FOUR CLUES FROM THE 2016 COLOR WEEK SCAVENGER HUNT. The first camper to successfully solve all four clues wins a prize for their bunk, courtesy of Larry Wilensky (Lah). If nobody is able to solve all four successfully, the person with the most correct answers will win.

Send your answers to summers@iroquoissprings.com and please be sure to write "Clue #1 before your answer to the first clue, then "Clue #2" for the second, etc.

COME ON UP TO THE JUDGES TABLE AND GIVE IT YOUR BEST TRY. SEE YOU IN THE SUMMER!

FAVORITE RECIPE FROM

Kitchen Stadium

Campfire Eclairs

Ingredients

- 2 Tubes Refrigerated Crescent Roll Dough
- 2 Packages of Pudding Snack Packs (8 Total)
- 1 Jar of Chocolate Frosting
- 1 Can of Whipped Cream
- ¾ Inch Wood Dowels
- Non-Stick Aluminum Foil

Directions

1. Wrap one end of your wood dowel with nonstick foil. Take two pieces of crescent dough and wrap them around the foil.
2. Cook over the fire about 5 minutes or until golden brown. Be sure to rotate as you cook.
3. After the crescent dough is cooked, let it cool on the stick. Gently slide the eclair off the stick.
4. Carefully spoon your pudding inside of the eclair's. Top with chocolate frosting and whipped cream.

CLUE #1: Dance the Dance of the Decades.... The 1950s (Elvis).... the 1960s (The Beatles).... the 1970s (James Taylor).... the 1980s (REM).... the 1990s (Radiohead)... the 2000s (Daft Punk).... the 2010s (Adele)

CLUE #2: Sort of like a really awesome puffy fluffy cumulus cloud

CLUE #3: Our colors and shapes we show with great pride, When the wind blows, we go for a ride!

CLUE #4: Also known as a lottery

NCAA POOL

March Madness is always an exciting time of year, and the 2018 tournament was no different! We truly hope many of you enjoyed our 5th annual Iroquois Springs camper and staff bracket competition. We are thrilled to let you know that **Mackenzie Gemmell** won the camper bracket and will be receiving her IS sweatshirt soon along with a trip to ice cream with her entire bunk this summer. In the staff bracket, **Stephen "Tiny" Segrave** came out on top and will be sporting his new gear as well this summer. Pretty amazing that the last 3 years, an Australian has won the staff bracket challenge! Thanks to everyone who participated!

GIRLS SIDE GAB *With Rosie*

Hello Girls Side...

Last newsletter before we are up at camp!!! WOOHOO - I cannot wait. I am so over the snow storms and nor'easters, I am ready for some sunshine and camp life! We just hit the 100 days until camp mark (while I wrote this) and I couldn't be more excited. I have been getting so many awesome emails and letters from some of our past campers and counselors, they all remind me how special camp is and what a life changing experience it is for everyone.

We have spent the last couple of months meeting and planning for camp. However, it just seemed so far away, but now we are getting closer and I am getting excited. I am excited to be with you again. I am excited for line-up, campfires, trips, evening activities, DJ Yahney and more. I am excited to see your faces all day and then every night before you go to bed. I am excited for smiles, laughter, singing, cheering and MORE. I am excited to see you on the field, in the pool, at Hobbyville, in the lake and MORE. I am excited to see you get off the bus on day 1, college days, color war and MORE. I am excited to see you grow up a little, be nice to each other and learn from one another and MORE! I get excited just thinking about all of our new campers starting this summer and joining our family. I am looking forward to seeing you at the New Family Orientation. I am excited to see all of our returners come back to camp and spread their love for camp with all of us. I am excited to see our returning staff and meet the new "difference makers" that will be joining us. **I AM JUST SO EXCITED..... I BET YOU ARE TOO!**

We have started so many traditions at camp on Girls Side. I keep hearing how the **BE NICE** motto has followed you wherever you go! Many of you send me the best quotes that you find throughout the year. I have been saving them and you will be seeing them in the

girls HC. I love knowing that you sing the girls side song all year long - I cannot wait for our new rest hour activities, our big/little events, our Girls Side Sing and our divisional activities that have now turned into **TRADITIONS**, like **GIRLS ON THE RUN**.

Ladies, camp is so close, yet we still have time left for studying and being nice. Just a reminder, it's much easier to be nice to each other than to be mean. We treat others the way we want to be treated. On Girls Side we do not tolerate any bullying, leaving out, or "mean girl stuff". Just a reminder, **GIRLS SIDE** is a special place and what makes it special is that we are made up of **NICE**, caring, empathetic girls. You make me proud both at camp and outside of camp. **KEEP UP THE GOOD WORK**. Continue doing the right thing!

Stay off social media as much as you can! Take a break from Instagram and Snapchat. Now that the weather is getting nice, call a friend, go outside, be mindful of the world around you! Don't hide behind a screen, don't leave your phones in your room at night, pay attention to how much time you spend on your phones. Go to a concert and don't watch it through your phone and snap every second of it, go to sporting events and put your phones away, everyone else can watch it on TV, they don't need to see your snaps. Go out to dinner and put your phones away and have real conversations with your friends. Ask your friends to put their phones away when you are hanging at each other's houses. Better yet, don't bring them with you! One of the best parts of camp is that we all get to unplug, try doing it more often during the year. Smile and laugh lots and try to make new friends. Invite the "new kid" to sit with you at lunch and then tell me all about it. You have the power to make a positive difference in someone's life. Now do it :).

Ladies, keep working hard at school, keep smiling and remember to continue being nice.

See you in just a few short weeks. xoxoxo

Rosie

TRADITIONS

Camp has always been about traditions – these are the special memories we hold so close, but most importantly these camp traditions tie generations of campers together.

Traditions like Color War, Rope Burn and Order of the Blue and Gold are just a few of the special traditions we re-live with one another each summer and have generations of campers fondly remembering their special time at camp.

Over the last 3 summers a new tradition was born at Iroquois Springs. At the Order of the Blue and Gold we presented staff and campers, who have been at camp for 10 years or longer, a unique "dog tag" – one to keep and one to place on a specially designated tree on guest lawn, where it would live forever.

It has been remarkable to see how important it was for those honorees to be recognized in this way and we can't wait to induct this year's honorees. The ceremony over the last 3 summers has been filled with laughs and stories of past summers, but mostly of a unique and special bond that these folks had with one another, simply put, this was a family.

We are excited to welcome the newest group of honorees this summer on **July 21st at 5:00 PM**, the same day as the **Order of the Blue and Gold**.

- **Jason Abfier**
- **Nicole Axelrod**
- **Phoebe Brenner**
- **Tara Hartman**
- **Emma Lubrano**
- **Alex Lupo**
- **Melvin Martinez**
- **Samantha Orfinger**
- **Danielle Saypoff**
- **Amanda Solomon**
- **Zev Hartman**
- **Josh Hartman**

Welcome to the newest camp tradition!

NOTES FROM BUBBA'S CLIPBOARD

My shorts are on for the season and I could not be more excited! It's finally becoming the time of year to move back to Rock Hill for our 18th summer and get settled back into 12775. For so many of us, camp is our "safe place." In light of the recent events that have taken place and hit so close to home, Iroquois Springs is just what we need. A place to unplug from social pressures, feel good both physically and emotionally and just enjoy the time we have together as campers and staff creating the moments that will live with us forever.

I would not be truthful if I said "this time of year was easy though." As many of you know, there is always a rollercoaster of emotion and activity that comes along with the "trip up north." Leaving my family behind until school is over, staying connected to the outside world and focusing on the many tasks at hand that need to be accomplished is not always easy, but it's essential to what we do. In just a few days, our pre-camp crew will start to take shape, and May 1 marks the beginning of our staff arrivals for "pre-camp work." This work is not always glorious, but a small team of dedicated staff always form (with many returning summer after summer) to help open up camp after a long, cold winter. Whether it's cleaning bunks, painting buildings, power-washing, raking leaves, putting the aqua-playground in the water when it's 60 degrees or just about anything that is asked of them, this crew is unbelievable! They will join forces with our maintenance crew who arrived even earlier and get the "wheels in motion." I can't wait to work alongside the team and watch camp come to life as we prepare for our 18th summer at Iroquois Springs.

As I prepare for my trip up Bowers Road in early May, all I can focus on is what we need to accomplish. Our rental group season kicks off almost immediately and with a small crew of staff, we work with all types of groups so that they can enjoy all camp has to offer too. It's also a great way to get the kinks out of the system and make sure we are firing on all cylinders when our camp family arrives in June. No two pre-camp seasons are ever the same though, the list to get camp ready may look similar, but each season is different. We have different staff, different rental groups, different projects to accomplish and different obstacles to overcome, but what does stay constant is that everything we do here is geared with one goal in mind, "to give the campers, staff and parents of Iroquois Springs a summer of incredible opportunities, fun, and excitement in a community that we all feel safe and well respected in."

This is also the time of year that both campers and staff can really start to feel the excitement, and sometimes the nerves, about their summer ahead. These emotions are all normal and are embraced by all of us who are lucky enough to call Iroquois Springs our summer home. Focus on what you want your summer experience to look like, how you will leave an impact on your camp community and what you will do to be a "difference maker." Think about those who will be honored at our S.P.A.R.K. ceremonies and what you can do to be a fantastic camper, staff member, sibling, son or daughter or just a great human being!

I can't wait to welcome the first group of staff for orientation and then shortly thereafter, see the buses roll into camp and watch as the excitement reaches an all-time high, that time will be here before we know it! For now though, I must continue to work on my pre-camp checklist and help ensure that all the details for the summer are set and that 2018 will be one for the record book! Finish the spring season on a high-note, do well in school, get thinking about "your camp experience" and get excited about the incredible summer ahead.

Can't wait to see you all as the buses roll into 12775 and we prepare for the summer of a lifetime!

Warm thoughts for the summer ahead... **BUBBA**

Don't forget to check us out on...

COUNSELOR'S CORNER

Camp is truly about the camper. There is no doubt about that, but the experience our counselors have at camp is truly an unbelievable one, too. Like our campers, counselors are both excited and nervous in the lead up to opening day, and this nervous excitement continues as the buses roll into camp and they await the moment they'll meet their campers for the first time. After those initial few hours of getting to know one another, both campers and staff start their summer journey together. For our campers, attending camp gives them the opportunity to meet new people, build confidence, to smile, to be kind and ultimately to be happy. For our staff, it's the exact same.

CHECK OUT THESE TESTIMONIALS FROM STAFF WHO HAVE LIVED THE CAMP EXPERIENCE:

"My summer spent at Iroquois Springs made me rediscover the value of love & laughter, to never take any moment for granted, and that there is something to smile about in every day. From playing cards in the bunk to watching my girls work harder than they ever had during rope-burn, I was constantly smiling, genuinely happy -- a feeling that had become unfamiliar to me. The 7 1/2 weeks I spent at Iroquois Springs has affected me more than I could have ever imagined. Even though two words could never express how grateful I am for this experience, all I can say is 'thank you.' Summer 2017 will stay close to my heart forever, no regrets."

"I never thought camp would have such an impact on me, but I'm so happy that it did. I will go home as a new girl. A girl who is more confident than ever before. I can't put into words how thankful I am for this summer at I.S. Thank you for always believing in me."

I think we can all agree that a camper could write something very similar. We are proud of both our campers and staff for making the most of their summers and taking away such essential life lessons.

Camp is definitely for the camper... but the counselors love it, too!

POLICY REMINDER

WE WANT TO TAKE TIME TO REMIND YOU OF SOME IMPORTANT POLICIES THAT HELP CREATE OUR CAMP COMMUNITY.

We know one critical component of the camp experience is the opportunity for kids to "unplug." We strongly believe it is central to being at camp and we count on campers and parents to support our stance on this without exception.

In the instance of a camper being found in possession of a cell phone or a disallowed electronic device (any that can access the internet), that camper will have to go home for three nights. Parents will have to make arrangements to pick-up and return the camper to camp. Should the camper be away from camp on the senior trip, parents will need to pick-up their child from the trip location.

WE HOPE THAT THE IDEA OF MISSING THREE ENTIRE DAYS OF CAMP WILL DISCOURAGE CAMPERS AND PARENTS FROM DISREGARDING THIS IMPORTANT POLICY.

REMINDER TO PARENTS... Apple is no longer making an iPod Nano or Shuffle, however, Iroquois Springs will continue to keep to our policy which does not allow the use of electronics that have a screen or can access the internet. That said, please plan accordingly, as music is a big part of bunk life and we want campers to enjoy listening to their favorite tunes, so please refer to our previous email with suggestions on MP3 devices appropriate for camp.

Many parents and campers have already reviewed and signed the "Policy Agreement" document that outlines our expectation for our camp community each summer. As a new addition this summer to our policy agreement, we want to remind parents that any camper in possession of electronic cigarettes, vaporizers (Juuul, Vape Pens, etc.) or other similar devices will immediately be dismissed from camp for the summer without tuition reimbursement, as items such as these have no place in our camp environment.

Thanks for your continued support and cooperation in making Iroquois Springs a camp community we all feel good about calling our summer home. Should you have any questions at all, just call and ask, we are always available to help!

WHAT'S HAPPENING IN ROCK HILL

This article is always the most exciting one to write, because it highlights so much of what we will all be able to enjoy this summer, the new things we will see upon arrival to camp and highlights the improvements we have made to our premier facility. Last summer we added our state of the art **FITNESS CENTER**, which was so impressive and well received by campers, staff and parents, in addition to other new program offerings such as **BUMPER BALL** and **BELLYAK'S**. For this summer, as you already know, construction of our multi-level **AERIAL TREE-TOP PARK** and **TREE HOUSE** are well underway and scheduled to be completed by our New Family Orientation in May. This new addition to camp is a real showstopper, it offers something for everyone and will provide endless opportunities to challenge yourself, step outside your comfort zone and enjoy the thrills each of these elements offer, isn't that what camp is all about? Of course, we can't wait to see our campers enjoying an overnight, sharing stories and sleeping "under the stars" in our awesome new tree house, you're going to love it!

You have probably come to realize by now, there is always more...so what else do we have in store for you? We will be renovating our **HOCKEY RINK** and installing all new "wall boards" and plexiglass along with brand new gates to enter and exit the rink and more. This renovation will ensure a great playing experience for all of our campers whether we are playing hockey, 5 a side soccer, Euro handball and more. Playing under the lights will be a completely transformed experience this summer and a welcome addition for all those that love to be on the rink.

This summer, we will also offer a **MOUNTAIN BIKING** program available to all campers! We have purchased all new bikes for the coming summer and have hired a great staff member who will lead campers throughout our camp property and trails that wind throughout our vast 200-acres. This new activity will be a welcome addition and offer another dimension to our wonderful camp program that offers something for everyone!

The **DANCE STUDIO** has also been completed and looks spectacular, complete with knotty-pine, new lighting and

sound system, a great new floor surface to dance and all new windows, bathrooms and more! In addition, our crew has been busy installing new cabin doors, renovating a number of bunk bathrooms, building new beds and cubbies and taking care of all the details that make us so comfortable at camp. We have also continued to pave many of the roads in camp, making your "daily strolls" through boys and girls side more enjoyable and easier on the occasional days that we receive liquid sunshine (rain) throughout the summer.

It's not easy to get all this done during the winter, especially with the snowfall amount we have received in March, but somehow, our awesome crew manages to get it all done and just in time for another summer of fun together. Hats-off to all the men and woman who work through the difficult winter weather to improve Iroquois Springs and make our facility second to none. We know our camp community can't wait to see it all and say "thank you" for another job well done.

Make sure to continue to follow our social media feeds and stay on-top of what's doing in 12775 throughout the rest of the off-season and our lead up to pre-camp, as our crew starts to arrive May 1 to continue to get camp ready for another awesome summer ahead!

MARYLAND & FLORIDA GATHERINGS

We had the chance to get together with our Maryland and Florida families in April and what a blast we had. It's so nice to connect with parents and campers as we draw closer to camp, reunite with friends, answer questions and genuinely see so many people as excited as we are for the upcoming summer. Thank you to all those that we able to make it and spend a few hours talking about camp!

IS Swag

We hope you have all been paying close attention to our “Friday IS Swag Giveaways” that have been posted across our social media platforms. Make sure to keep an eye out every Friday afternoon until camp starts to see if you may be the lucky winner in our weekly drawing!

CAMPER REFLECTIONS

It is very easy to say nice words, but not that easy to feel them. It is very easy to promise something, and not do it, it's very easy to encourage your friends to do something, but it's hard to take the risk. This camp is different from the other places you will be, “because when your friends say nice words to you, they mean it.” When they promise you something, they do it, and not only do they encourage you, they take the risk with you.

What makes this place so special are the relationships we establish with each other. There is no place where you will make the friends you have here and that is why every second counts. That is why no matter what activity you have, you need to make the most of your time. We never asked for this, we just had the luck of choosing to come here without expecting it to be one of the most amazing decisions of our lives. Not everyone was

given the gift to form part of Iroquois Springs history, so again, don't waste any of your precious time here. There are no words to describe how this camp has change my life. All the way from Spain, I counted the days to come back here, but when you are finally a camp, you don't count the days, you make the days count! Not only have I done things that I may never do again, from sports to rocketry, but I have also have done them with the best company and the best support. I'm going to miss every single one of my friends, I may never see them again, because I live in another country. It does not matter because they will always be in my heart, because friends are hard to find, difficult to leave and impossible to forget.

Finally, I wanted to say one last thank you to all the staff and people who make this place better each year. Girls Side never change! Iroquois Springs, thank you for the best three summers of my life.

Blue and gold forever, Agueda, CIT 2017

Welcome

We are thrilled to welcome the following new campers to the **Iroquois Springs Family** (since our last newsletter)

Mateo Aguado	Madrid, Spain
Lucy Beldner	Great Neck, NY

Announcing Rookie Day & Explorer Camp

Come explore the world of overnight camp at Iroquois Springs, either for the day or overnight, we have 2 great programs to offer!

Who: Future campers entering the 1st through 4th grades in September. Each program is strictly limited in enrollment, so please sign-up ASAP!

Date: Sunday, July 8th from 9:30 – 3:30
(1-Day Experience)
(No Siblings Please)
Cost: No Charge

Date: Saturday, July 21st from 11:00 AM until Sunday, July 22nd at 4:00 PM
(Overnight Experience)

Cost: \$150 per camper, including transportation and t-shirts. This will be credited towards any camper who enrolls for camp in 2018.

Program: Get a chance to explore what an Iroquois Springs camper enjoys each day throughout the summer. This is a terrific way to discover what Iroquois Springs will be all about before the 2018 summer arrives. You will be instantly transformed into an Iroquois Springs camper for life! These unique, well-rounded programs provide campers a chance to experience a variety of activities in a fun, nurturing and safe environment and also a great way for parents to tour camp and meet the leadership team of camp.

Call the camp office for registration details or enroll on-line through our Parent Dashboard ASAP.

Don't forget to say hello to our entire group of Explorer's from last summer who have decided to return to camp for a full session this summer – we are so proud of all of you!

Explorers from 2017 who have signed up for 2018
