★ A NOTE FROM MARK AND LAURA ★

The Sun Will Shine Again

We would like to start by saying how much we hope all our camp families, staff members and extended families are safe and healthy during these uncertain times that we are currently experiencing.

Each morning, we wake up with one goal in mind – **get camp ready for the kids this summer!** We, and the entire full-time team, have been working tirelessly towards this collective mission. We know that perhaps this summer, more than any other, we all need camp. This summer, camp will provide that warm, safe blanket, where our campers can get back to being just a kid, something they have missed these last few weeks.

In the past few days, the news in the New York area has turned more positive, and hopeful. It has lifted our spirits and hardened our resolve to continue to push forward in all our planning for summer 2020 – **our special 20th summer of Iroquois Springs.**

We want to thank the many parents and staff throughout the world who have sent emails, texts and calls to tell us how much they are thinking of us during this time, how much they are “pulling” and “rooting” for us to be able to have another successful and amazing summer come June 27th. It’s during these unusual times when you get a chance to reflect on many of the

important things in our lives, and nowadays we all have plenty of time to think and reflect. For us, we think about our camp families who we have had the amazing joy of building so many relationships with, our amazing staff, who we have seen mature and develop and are calling and telling us they will do anything we need this summer, and most importantly, about our campers, who have had a part of their childhood taken from them. We have heard story after story about how they have risen to the challenge, whether that challenge is a new type of learning from home to having to stay safe at home without seeing friends at school and missing after school activities.

For all of us, there is so much uncertainty, and we are hoping that camp will be the beacon of light for our campers and staff to be able to look forward to once this all comes to an end. One thing we can be sure of, no matter what we have to do, we will make the summer of 2020, our 20th summer, a great one that all our campers will remember and cherish.

We remain positive and optimistic that this will end, the sun will be shining in Rock Hill, and the busses will be rolling in for an amazing summer that all our campers deserve on June 27th.

See you there!

20TH ANNIVERSARY SUMMER IN 2020

With Love, Mark & Laura

**CAMP
68 Days**

From
April 21

BOYS SIDE STUFF WITH JOSH

I think we have redefined what it means to feel apart from our camp friends. I think we have redefined what it really means to feel apart from most people. In this time of social distancing, let's take some time to connect with each other. I was recently part of one of the most special Boys Side events in my 20-year history as part of Iroquois Springs. You would think we had some major winter event on Boys Side or something like that. Obviously, that is not what happened. What happened was a Zoom call that connected close to 50 former Iroquois Springs Group Leaders, staff members and former campers from around the globe in one virtual hangout. We chatted for over 2 hours while we relived our best memories, stories and laughs. Having the opportunity to connect with previous GL's, former counselors and campers, who some of us have not seen in over a decade, made time fly faster than anything I have experienced in recent memory. It reminded me that camp is not always in the here and now, but sometimes camp can be lived best by connecting with old friends and reliving the memories as if it was saved on your DVR. The memories came flying back and it was inspiring to know that camp means as much to everyone else as it does for me.

Although we are all working from home, we are working hard to ensure that the summer of 2020 is the most special ever. As spring is progressing, the grass on Boys Side is getting greener and ready for everyone to be running all over it in a few short months. I have some new recipes for the winning bunk of the half-court shot and cannot wait for someone to hit it. I am ready to sweep out the Boys HC and get all the cabins ready for you. I look forward to hearing splashes in the pool, the 4:00 snack song and seeing Boys Flagpole filled for morning line-up.

I know there are a few hurdles for us to get through before we can all head up Bowers Road in our favorite Leprechaun buses. Keep the distance learning going strong and do whatever it takes to get your work in. I know it can be difficult at times, but we all have to do our part. I look forward to seeing everyone on the camp sponsored DJ Parties, on-line events and in the not so distant future. Until then, I, along with the group leaders and other staff, are working hard for our 20th anniversary in Rock Hill, NY. Trust me--- we are as excited as you to get to camp!

Separate but together,

See you soon! **Josh**

DON'T FORGET TO PACK

There is lots to do at camp everyday and certainly some things you might not think about as you prepare for the summer ahead, so while packing for camp, here are a few things not to forget:

1 White & Black T-Shirts / Pillow Cases or Similar to Tie-Dye/ Silk Screen / Air-Brush

2 Anywhere Chair (Available from Everything Camper Website)

3 Crazy / Fun Hat for "Crazy Hat Day"

4 Football Jersey for Monday Night Football on Boys Side

5 Musical Instrument (Camp Rock Band)

6 Halloween Costume (Yes, we celebrate Halloween – Campers ent. 2nd – 7th Grade)

7 Outfit for Banquet Night

8 Tennis Racquet & Baseball Glove (if you have them)

Of course, a full packing list can be found on the Iroquois Springs and Everything Camper websites.

THE WINTER ARROW CLUE

In each issue of the Iroquois Springs Times we will present a new clue to the "Winter Arrow's" location. Unlike in Color Week, the "Winter Arrow" can be ANYWHERE in Camp – indoors or outdoors, areas both in bounds and off limits. Use your creativity and imagination...you can even search without a counselor!!!

The first camper to correctly name the exact location of the "Winter Arrow" will win a prize for their bunk this summer. Remember to give a detailed description of why you think the "Winter Arrow" is there when you respond.

FAVORITE RECIPE FROM Kitchen Stadium

Smore's French Toast

INGREDIENTS

- 4 slices bread
- 1 tablespoon butter
- 4 graham cracker, crushed

EGG WASH

- 4 eggs
- 1 cup milk
- 1 tablespoon vanilla
- 1 tablespoon cinnamon

FILLING

- 2 tablespoons chocolate, or chocolate hazelnut spread, melted
- 2 tablespoons marshmallow fluff

GARNISH

- mini marshmallows
- chocolate syrup
- mini chocolate chips

PREPARATION

1. Whisk eggs, cinnamon, vanilla and milk together in medium-large bowl to create egg wash.
2. Crush graham crackers into crumbs.
3. Dunk bread in egg wash then cover in crumbs until evenly coated.
4. Melt butter in a skillet on medium-low heat and cook bread for 2-3 minutes or until crumbs are crispy and bread is more solid.
5. Once you flip them over once spread fluff on one slice and melted chocolate on the other.
6. Press slices together and stack.
7. Garnish with mini marshmallows, mini chocolate chips and chocolate syrup.
8. Enjoy!

Send your answers to: summers@iroquoissprings.com and make sure to include your first and last name in the email.

Here is Clue #1:

In our 20th summer the theater will arise brand new
But what arose anew in summer #1 is only remembered by a few.

Genesis and Valhalla for two. Do you?

All yesterday's parties, at the cacophony we laugh
Innovative games to amuse the campers and the staff
The lore of our deep past has left its marks
At the heart of all things, near where legends sleep....

Here is Clue #2:

Indoor games to entertain us all

Chance, happenstance and mad skills begin their dance
Run the table, run the table, run the table!

What to wear is such an art when gathering a stack of musical chairs

When it rains, when it rains, when it rains!

Ten frames done and dusted counting 300 of you:
a perfect score!

Right by the heart of things, by haunts where
an ancient sleeps....

FUZZY TO THE REAL HEROES

Iroquois Springs would like to give a HUGE fuzzy to the nurses, doctors, first-responders and all those who are on the front lines fighting the Covid-19 pandemic. Your efforts are courageous, and your work is admirable, you truly are the "real heroes."

HOW MANY FUZZY'S CAN YOU SPOT??? you may have noticed a few as you've been reading the newsletter but how many can you find in total?

GIRLS SIDE GAB *With Rosie*

Hello Girls Side...

WOW - what a crazy time for us all. We all need camp now more than ever. I hope everyone is doing ok during this very unpredictable time. I keep dreaming of hot summer days, line up with all of you, Girls Side sing, chanting in the dining hall, our new theatre, college days, SPARK, color war and more. I can't wait until 4th of July, the color run, rainy day schedules, summer birthdays and everything else that we build into the best 6 weeks of the year!

I hope that everyone is doing well at home with their families. I am sure many of you are missing your normal school schedules and your activities; however, use this time to hang out with your family. Play games together, read together, look at pictures together, eat your meals together and make memories together. I wish you many days of good health, happy times, funny times, technology free times (you know I had to throw that in) and more. Be patient with your parents as they try to manage working from home and keeping up with your remote learning schedule. Help your siblings out and don't be afraid to ask your teachers for help. This is all new to us and we are all just trying to do our best.

As the weather gets warmer, go outside when you can to play, walk, exercise and have some fun! Make the best of this situation. Stay out of your rooms and enjoy being with the people you love and that love you right back. Before we were all asked to stay home, we were all so busy with work, school, carpools, Hebrew school, religion, dance, sports, tutors and more. For the first time in years, many of us are all home together. Take advantage!

Keep spreading the LOVE and Girls Side motto, by sending cards to doctors, nurses, first responders, medical technicians, the PA's, RN's and EMT's, hospital cleaning crews and countless scientists and

everyone out there that is fighting for us to flatten the curve. **Kindness matters and compassion has never been more important.** Reach out to your family and friends that could use some extra love and cheering up. Send anonymous notes to anyone you would think would like a friendly, cheery note without feeling they need to respond. There is so much you can do to show others you care. I cannot wait to hear all the amazing things you have done or will be doing.

I hope you and your family are staying healthy and safe. I hope you are counting down the days until we are all together again. I am thinking about all of you and cannot wait to see you! Sending lots of love from my family to yours!!!!

Can't wait until campfires, taco days, Italian night, canteen, evening lineup, watching you in hobbyville, outdoor adventure, the pool, in the lake and more!!!!!! I cannot wait to meet all of our new campers on Girls Side. I cannot wait to see our returning campers again; I cannot wait to see all our returning counselors and all our new counselors that will be joining us this summer. **There is so much to look forward to!**

I love and miss you all - work hard in school (even if its online), be kind and do the right thing. I know it will be hard, however, try hard to not be on your phones all day and all night long ... it is awesome to stay connected; however, too much time on social media isn't good for anyone. Be good role models for your younger siblings and pay attention to them without staring at your screen. Look up when you are spoken to and be mindful of the people around you. These are the times we will all remember, and you don't want to have regrets (NO REGRETS LADIES). I promise you, you will feel so much better on the days you aren't scrolling all day long! It is a bad habit...don't make it worse :) Make your own memories, no need to obsess over everyone else's.

Love you all - keep smiling, enjoy this time with your family and stay safe and healthy!

xoxo *Rosie*

TRADITIONS

Camp has always been about traditions – these are the special memories we hold so close, but most importantly these camp traditions tie generations of campers together.

Traditions like Color War, Rope Burn and Order of the Blue and Gold are just a few of the special traditions we re-live with one another each summer and have generations of campers fondly remembering their special time at camp.

Over the last 5 summers a new tradition was born at Iroquois Springs. At the Order of the Blue and Gold we present staff and campers, who have been at camp for 10 years or longer, a unique “dog tag” – one to keep and one to place on a specially designated tree on guest lawn, where it will live forever.

It has been remarkable to see how important it was for those honorees to be recognized in this way and we can't wait to induct this year's honorees. The ceremony over the last 5 summers has been filled with laughs and stories of past summers, but mostly of a unique and special bond that these folks had with one another, simply put, this was a family.

We are excited to welcome the newest group of honorees this summer on **July 25th at 5:00 PM**, the same day as the **Order of the Blue and Gold**.

- **Avery Cohen**
- **Jillian Cohen**
- **Robyn Dalton**
- **Jordyn Lieberman**
- **Andie Abrams**
- **Emily Edwards**
- **Lindsey Scheiner**

Welcome to the newest camp tradition!

NOTES FROM BUBBA'S CLIPBOARD

April 1st has always been the official start of "shorts season" and that means camp is getting closer and closer, it's go time! While my shorts are on, the feeling of so much uncertainty that we are all faced with right now has sent us into a bit of a tailspin. These days are usually spent frantically trying to hire the last few staff, purchasing all the supplies for camp, starting to get the facility ready for the summer, and knowing that the countdown to camp is coming, ready or not. However, we find ourselves with a different state of mind, an uneasy feeling that is hard to navigate. **Now more than ever, we need camp!**

All of us who cherish camp know and understand that camp affords campers and staff opportunities that you simply can't find anywhere else. The place where we want to "unplug", the place that we want to step out of our comfort zone, the place that it's ok to make new friends who may be different than you and most importantly, the place that it's ok to just be you. Camp provided us all the opportunity to be independent, learn life-skills and simply enjoy the small things that we sometimes take for granted. Both campers and staff build self-confidence and learn how to navigate sometimes rough waters but know that they are supported and loved by those around them, truly the definition of a "camp family." **Now more than ever, we need camp!**

What I do know for sure is this...we are going to be ready to welcome our camp family as soon as we have the green light. It takes a true team effort to bring "camp" to life as we know it each summer. From our pre-camp crew, counselors and specialists, office staff, the maintenance team, support staff and full-time crew, we will be ready. Whatever it takes to provide our Iroquois Springs family the chance to be together in 12775, we will be ready. We always have preached to our staff, and this summer even louder and clearer, there is no job too big or too small for any of us. Being part of camp is about being selfless, giving everything of yourself, no matter the job, the time commitment or the task, we all will be "pulling the oars" in the same direction, because we know what camp does for those who get to experience it. **Now more than ever, we need camp!**

I know full well, this is the time of year that both campers and staff can really start to feel the excitement, and sometimes the nerves, about their summer ahead. These emotions are all normal and are embraced by all of us who are lucky enough to call Iroquois Springs our summer home. Remember that you are surrounded by caring people who will support you and help you thrive this summer! As we always say at camp, it's about the people, not the just the place, and we are all about to embark on an exciting adventure together that will be sure to leave a lasting impression. With all that is going on around us and all that has changed over the last month or so, the one constant that we have heard over and over from campers, staff and parents is that we need summer, we need camp to happen! **Now more than ever, we need camp!**

Our goals and motivation have not waived, even amongst all the chaos that has surrounded us. There will be no better sight on June 27th than having the chance to welcome our entire camp family with open arms, warm smiles and hearts filled with love and support. Let's all stay positive, do your part now to allow us to do what we love during the summer. **Now more than ever, we need camp!**

Looking forward to welcoming you all home soon. Focus on what is important, don't stress about the things you can't control and know that we are all in this together. Can't wait to see you all in 12775 as we prepare for our 20th Anniversary summer together. **NOW MORE THAN EVER, WE NEED CAMP, THESE WORDS HOLD SO TRUE!**

Warm thoughts for the summer ahead... Be apart now so we can all be together later!

BUBBA #stayhomesowecangohome

Don't forget to check us out on...

COUNSELOR'S CORNER

The focus of camp as we know it has always been about putting campers needs and aspirations before anything else, that will never change! In order to accomplish this monumental task, it takes an incredible team of dedicated staff, willing to be selfless at all times in order to provide our campers with a summer that is second to none. Some may wonder, "why would staff do this, what do they have to gain from the experience?" The answer is simple...they have everything to gain and nothing to lose. While campers come to camp to make new friends, try new skills, create new memories and to follow in the traditions of those that came before them, so to the dedicated staff who put everything aside and work tirelessly to make Iroquois Springs the incredible place it has become. They do it, because they truly believe, that whatever they put into the experience, they will get 10-fold in return. **Check out these testimonials from staff who have lived the camp experience, it tells the real story:**

"My camp experience was sensational. From the minute I arrived to the minute I left it was filled with incredible opportunities and constantly smiling faces. I made so many amazing friends from around the world and these people helped me grow-- I became more positive, more outgoing and more selfless than before. Iroquois Springs is a unique place with great values; it is a place where people can feel comfortable in doing whatever they love and be supported no matter what." - **Aaron Milliner**

"I absolutely would recommend to friends. In fact, I already have. My summer was so good, and the camp treated us with respect and helped us out if we had any problems. Did not feel like work for the most part, truly incredible!" - **Feedback from Anonymous Staff Survey**

"Thank you for everything that you've taught me; all the times you've made me laugh, all the times you've made me cry, all the lessons that I've learnt and for the opportunity to meet so many incredible people and make so many amazing friends. I honestly wouldn't be the person I am today if it weren't for you and the amazing opportunity that you awarded me. You've created somewhere truly magical and you've given me memories that will be a part of my life forever!" - **Mark Campbell**

There aren't enough words to explain how amazing Iroquois Springs really is. From the minute you step foot on the grounds, it is so easy to be yourself, free of judgement. Everyone is so welcoming and kind. It has become my summer home and I hope to return for many more years."
- **Feedback from Anonymous Staff Survey**

"Iroquois Springs is everything you could wish for and more in a camp. IS has taught me how to be a better person and not to sweat the small stuff. After one summer I had a whole new family and a second home. There is nowhere else I'd rather be." - **Emily Beacroft**

"I couldn't imagine not having Iroquois Springs in my life. Even though I've only spent one summer in Rock Hill, it truly has changed so many aspects of my life. From amazing new friendships, unforgettable connections with the campers and learning so many new things about yourself and others, I would not change a thing about my first summer. I am beyond excited to go back next year and commit myself even more the campers and to making horseback even better! Camp is something amazing everyone needs to experience!" - **Damaris Scott**

"It has changed my life. Completely changed my outlook on life and my career path. "Iroquois Springs is everything you could wish for and more in a camp. IS has taught me how to be a better person and not to sweat the small stuff. After one summer I had a whole new family and a second home. There is nowhere else I'd rather be."

- **Feedback from Anonymous Staff Survey**

"Camp and the family you create here has been the best experience of my life thus far! I think it helps you grow as a person, even during challenging times. I would come back every year if I could, truthfully such a breath of fresh air." - **Feedback from Anonymous Staff Survey**

WHAT'S HAPPENING IN ROCK HILL

20TH ANNIVERSARY SUMMER IN 2020

we left last summer. That is no easy task, but it sure is awesome to see it all happen!

While so much has come to a standstill over the last month, we have worked really hard to keep our massive project of building a **BRAND-NEW THEATER** moving forward and on track for our **20TH ANNIVERSARY SUMMER**! Despite many challenges that we were faced with, you can see from the pictures here and those that we have posted on social media, the new theater has really taken shape from the ground up. The old theater was demolished last October, the foundation was prepared in early winter, framing began through the snow and cold winter months and the roof was completed in early March. From there, interior walls were prepared, the foundation floor was poured (perfectly level may we add), windows were installed, the stage was built and all of a sudden, you could really see this project coming to life. As we have said before, this new building is going to be such a welcome addition to camp for years to come. Complete with new bathrooms, new sound system, air-conditioning and of course more space, the theater is going to be another major accomplishment and welcome addition to our stunning campus.

As the excitement continues to build here at camp, people always ask, what is happening at camp right now. To answer that, it's the time of year where to "to-do" list continues to grow, our dedicated team

of maintenance staff and pre-camp staff who will soon begin to arrive are all tasked with helping to beautify camp and get it ready for the season. Turning on the water, cleaning bunks, opening the kitchen, painting buildings, changing batteries in smoke alarms, setting up the aqua playground, putting boats in the water...and the list goes on and on. It's really amazing to see the transformation that happens here from mid-April until the start of camp when the busses roll in.

With our 20th anniversary summer getting closer and closer with each passing day, we could not be prouder of all that we have accomplished as a camp community. Our facility is second to none, complete with so many new buildings, program areas and options for everyone to enjoy and of course for what we have worked so hard to build since 2001. A "camp family" comprised of kind and compassionate campers, loyal and proud parents, dedicated and selfless staff and a full-time team whose sole purpose is to provide all who are lucky enough to call Iroquois Springs home, a place we can all be proud of, a place we can all find comfort in, a place we can all call home!

THANK YOU TO ALL THAT HAVE MADE THIS POSSIBLE, HARD TO PUT INTO WORDS WHAT WE HAVE DONE IN 20 YEARS TOGETHER!

Make sure to continue to follow our social media feed and stay on-top of what's doing in 12775 throughout the rest of the off-season and our lead up to camp, we can't wait to see you on opening day!

POLICY REMINDER

WE WANT TO TAKE TIME TO REMIND YOU OF SOME IMPORTANT POLICIES THAT HELP CREATE OUR CAMP COMMUNITY.

We know one critical component of the camp experience is the opportunity for kids to "unplug." We strongly believe it is central to being at camp and we count on campers and parents to support our stance on this without exception.

In the instance of a camper being found in possession of a cell phone or a disallowed electronic device (any that can access the internet), that camper will have to go home for three nights. Parents will have to make arrangements to pick-up and return the camper to camp. Should the camper be away from camp on the senior trip, parents will need to pick-up their child from the trip location.

WE HOPE THAT THE IDEA OF MISSING THREE ENTIRE DAYS OF CAMP WILL DISCOURAGE CAMPERS AND PARENTS FROM DISREGARDING THIS IMPORTANT POLICY.

REMINDER TO PARENTS.....Apple is no longer making an iPod Nano or Shuffle, however, Iroquois Springs will continue to keep to our policy which does not allow the use of electronics that have a screen or can access the internet. That said, please plan accordingly, as music is a big part of bunk life and we want campers to enjoy listening to their favorite tunes, so please refer to our previous email with suggestions on MP3 devices appropriate for camp. (Mighty Vibe)

Many parents and campers have already reviewed and signed the "Policy Agreement" document that outlines our expectation for our camp community each summer. As a new addition this summer to our policy agreement, we want to remind parents that any camper in possession of electronic cigarettes, vaporizers (Juul, Vape Pens, etc.) or other similar devices will immediately be dismissed from camp for the summer without tuition reimbursement, as items such as these have no place in our camp environment.

Thanks for your continued support and cooperation in making Iroquois Springs a camp community we all feel good about calling our summer home. Should you have any questions at all, just call and ask, we are always available to help!

If it is one of those beautiful breezy mountain days at camp, take a walk past Boys Campus, on through the woods, and past the Field House and the Fitness Center (left hand side). Carefully make your way down to the shore of The Lake to a small group of trees just to the left of the rocky cliffs that look down upon The Lake's narrowest and central area.....

..... Place your hand on one of the trees, extend your arm, and look across the lake at the beautiful green woods on the other side. Allow your eyes to stare steadily into the greenery. If it is a breezy day, after staring for a couple of minutes, you will feel the sensation of moving. It will be as if the lake was a rolling river, and you were on a boat on that river. This trick of the eyes, body and mind, this wonderful illusion, is the magic of this special spot in camp called "The Captain's Post."

According to legend, the discovery and naming of this spot took place over sixty-five years ago, shortly after the Lake was extended to its current size. Some old timers credit Clifford "Bull Moose" Goodstein. Others state that it was the ancient SPARK Rhonda Tudor. The tale has been passed down, through many camp generations. Remembered sometimes by as few as one or two persons.... other times it was a destination for bunk adventures.

The Captains Post has sometimes been associated with secret camp societies and ceremonies touched by more than a bit of Blue and Gold magic. These anecdotes may well be apocryphal in nature (now there's a word to look up!). Or maybe not....

Some important advice to adventurers: If you go to the site on a calm day, you will probably be disappointed. It requires a steady breeze to come to life. The Captain's Post is just one of the many surprises and secrets of this magical place called Iroquois Springs! **By Larry Wilensky**

THE CAPTAINS POST

Paving the Way for the Future

Help Iroquois Springs pave the way for the future by purchasing a permanent paving stone and helping to raise money for Project Morry!

In celebration of our 20th Anniversary Summer, we are offering the chance to leave your "permanent mark" on the grounds of Iroquois Springs, and by doing so, supporting Project Morry who coincidentally is celebrating its 25th Anniversary summer!

With the construction of the new theater well underway, our plan is to place these new "personalized paving bricks" throughout the patio area between the dining room and theater. What better way to give back to the camp community than purchasing a "paving stone" that will be placed in our summer home for years to come and helping to support a non-profit that we are all so proud to be associated with.

Make sure to keep an eye on your inbox and our social media feeds so that can visit our personalized website that will walk you through the steps to purchase your laser engraved paver today. **Please make sure to share this fundraising idea with family and friends, we truly believe it's an opportunity to beautify Iroquois Springs, raise money for a worthy cause and show your camp pride forever!**

There is still time – please submit all orders online ASAP!!!

Announcing Rookie Day & Explorer Camp

Come explore the world of overnight camp at Iroquois Springs, either for the day or overnight, we have 2 great programs to offer!

Who: Future campers entering the 1st through 4th grades in September. Each program is strictly limited in enrollment, so please sign-up ASAP!

ROOKIE DAY

Date: Sunday, July 12th from 9:30 – 3:30

(1-Day Experience)
(No Siblings Please)

Cost: No Charge

Date: Saturday, July 25th from 11:00 AM until Sunday, July 26th at 4:00 PM
(Overnight Experience)

Cost: \$150 per camper, including transportation and t-shirts. This will be credited towards any camper who enrolls for camp in 2021.

Explorer CAMP

Program: Get a chance to explore what an Iroquois Springs camper enjoys each day throughout the summer. This is a terrific way to discover what Iroquois Springs will be all about before the 2021 summer arrives. You will be instantly transformed into an Iroquois Springs camper for life! These unique, well-rounded programs provide campers a chance to experience a variety of activities in a fun, nurturing and safe environment and also a great way for parents to tour camp and meet the leadership team of camp.

Call the camp office for registration details or enroll on-line through our Parent Dashboard ASAP.

Don't forget to say hello to our entire group of Explorers and Rookie Campers from last summer who have decided to return to camp for a full session this summer – we are so proud of all of you!

Explorers from 2019 who have signed up for 2020
